Methylparaben
Propylparaben
Lanolin
Parfum

SBS40 Medicated Skin Cream

4. First-aid measures

Description of first aid measures

Inhalation	Unlikely route of exposure as the product does not contain volatile substances.
Ingestion	Rinse mouth thoroughly with water. Get medical attention.
Skin contact	Not applicable
Eye contact	Remove any contact lenses and open eyelids wide apart. Immediately flush eyes with plenty of water. Get medical attention, if irritation persists.

Indication of any immediate medical attention and special treatment needed

Notes for the doctor	No specific recommendations.
----------------------	------------------------------

5. Fire-fighting measures

Extinguishing media

Suitable extinguishing media	The product is not flammable. Use fire-extinguishing media suitable for the surrounding fire.
------------------------------	---

Advice for firefighters

Protective actions during firefighting	No specific firefighting precautions known.
--	---

6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

Personal precautions	Avoid contact with eyes.
----------------------	--------------------------

Environmental precautions

Environmental precautions	Not considered to be a significant hazard due to the small quantities used.
---------------------------	---

Methods and material for containment and cleaning up

Methods for cleaning up	Flush away spillage with plenty of water. Avoid contamination of ponds or watercourses with washing down water. Avoid runoff into storm sewers and ditches which lead to waterways.
-------------------------	---

7. Handling and storage

Precautions for safe handling

Usage precautions	Avoid contact with eyes.
-------------------	--------------------------

Conditions for safe storage, including any incompatibilities

Storage precautions	Store in closed original container at temperatures between 0°C and 40°C.
---------------------	--

8. Exposure controls/Personal protection

Exposure controls

Eye/face protection	Not required normally but wear eye protection if you are conducting an operation where there is a risk of this product getting in the eyes.
---------------------	---

9. Physical and chemical properties

Information on basic physical and chemical properties

Appearance	Cream
Colour	White / off-white.
Odour	Characteristic.

SBS40 Medicated Skin Cream

pH pH (concentrated solution): 5.5-6.5

Relative density 1.0 @ °C

10. Stability and reactivity

Stability Stable at normal ambient temperatures.

Conditions to avoid There are no known conditions that are likely to result in a hazardous situation.

Materials to avoid No specific material or group of materials is likely to react with the product to produce a hazardous situation.

Hazardous decomposition products Does not decompose when used and stored as recommended.

11. Toxicological information

Information on toxicological effects

Toxicological effects No data recorded.

Inhalation No specific health hazards known.

Ingestion May cause discomfort if swallowed.

Skin contact Skin irritation should not occur when used as recommended.

Eye contact May cause temporary eye irritation.

12. Ecological information

Ecotoxicity Not regarded as dangerous for the environment.

Persistence and degradability

Persistence and degradability The product is biodegradable.

Bioaccumulative potential

Bioaccumulative potential No data available on bioaccumulation.

Mobility in soil

Mobility The product is water soluble and may spread in water systems.

13. Disposal considerations

Waste treatment methods

General information When handling waste, the safety precautions applying to handling of the product should be considered.

Disposal methods Dispose of waste to licensed waste disposal site in accordance with the requirements of the local Waste Disposal Authority.

14. Transport information

Road transport notes Not classified.

Rail transport notes Not classified.

Sea transport notes Not classified.

SBS40 Medicated Skin Cream

Air transport notes Not classified.

Environmental hazards

Environmentally hazardous substance/marine pollutant

No.

15. Regulatory information

Regulatory Status This product is exempt from WHMIS labelling requirements as it is regulated under other federal legislation (ie. Health Canada). This product is manufactured and labeled in compliance with the Canadian Food and Drug Regulations. Product is classified in accordance with the hazard criteria of CPR.
