

KUE Personal Care Products

ODOR-AID Spray-Black/Pink/Unscented versions

MATERIAL SAFETY DATA SHEET

January 1st, 2017

Section One Product and Company Information

Product Name: Odor-Aid Disinfectant Deodorizer Sport's Equipment Spray **Date:** Jan. 1st, 2017
Chemical Family: Alkaline **Application:** Hard Surface Cleaner **CAS#:** Mixture
Responsible Party: KUE Personal Care Products **Product Technical Information:** 1-905-727-5677
P.O. Box 490 **Medical/Handling Emergency:** 1-905-727-5677
Aurora, ON L4G 3L6 **Transportation Emergency:** Chemtrec 1-800-424-9300

Section Two Hazards Identification

Statement of Hazards: Caution. May cause eye irritation.
Primary Route of Exposure: Skin and eye contact are the principal routes of exposure to this product.
Skin Contact - Skin contact can cause drying of skin.
Eye Contact - Eye contact may cause moderate irritation. Severity of action is highly dependent on contact time.
Ingestion - No data available.
Carcinogenicity: IARC - No NTP - No OSHA - No ACGIH - No

Section Three Information on Ingredients

Component Hazard CAS# OSHA PEL ACGIH TLV %
EDTA-Na₄ Irritant 64-02-8 N/A N/A 0 – 1

Section Four First Aid Measures

Skin Contact: Wash with soap and water. Wash contaminated clothing before reuse. If irritation persists, get medical attention.
Eye Contact: Hold eye open and rinse gently with water, remove contact lenses, if applicable. Then continue rinsing with water for 15 minutes. If irritation persists, get medical attention.
Medical Conditions Aggravated: No data is available that addresses medical conditions aggravated by exposure to this product.
Note to Physician: Treat exposed patients symptomatically.

Section Five Fire Fighting Measures

Flash Point(Method): > 200° F (TCC) **Flammable Limits:** Not applicable.
Extinguishing Media: Use water spray, dry chemical, carbon dioxide or foam extinguishing agents unless contraindicated by surrounding environment.
Special Fire Fighting Procedures: Prevent human exposure to fire, smoke, fumes or products of combustion. Fire fighters should wear appropriate protective

equipment, including self-contained breathing apparatus and impervious clothing. **Fire and Explosion Hazards:** None known.
Hazardous Products: Thermal decomposition of this product may generate oxides of carbon.

Section Six Accidental Release Measures

Caution: If spilled, floors may be extremely slippery. Wear appropriate protective gear to avoid skin or eye contact. Dike and contain spill with inert material (sand, clay). Transfer liquid and solids to separate containers for recovery or proper disposal. Keep spill out of storm sewers and open bodies of water. After removal, flush area with water. Follow good industrial hygiene practices. Wash thoroughly after clean up. If uncertain about proper disposal, contact your local waste disposal provider or the regional office of the Environmental Protection Agency for guidance.

Section Seven Handling and Storage

Handling: Avoid contact with skin or eyes. Use product only according to label directions. If unsure about safe use, contact your supervisor immediately. Wash with soap and water after handling. **Storage:** Store in original container. Store away from food or feed. Containers should be kept tightly closed when not in use.

Section Eight Exposure Controls/Personal Protection

Personal Protective Equipment

Respiratory: Respiratory protection is not necessary under normal conditions of use.

Gloves: Impervious gloves, such as latex or neoprene rubber are recommended **Eye Protection:** Chemical resistant goggles are recommended.

Engineering Controls

Ventilation: Proper ventilation in accordance with good industrial hygiene should be provided.

Section Nine Physical/Chemical Properties

Form Liquid **pH** 10.0-12.0 **Color** None

Specific Gravity 1.000 **Odor** Clean & Fresh **Solubility** Complete

Boiling Point 212°F **Freezing Point** 32°F **Evaporation Rate** > Water

% VOC < 1 (Excluding LVP material)

KUE Inc. P.O. Box 490 Aurora, ON L4G 3L6 905.727.5677 info@odoraidd.com

Section Ten Stability and Reactivity

Stability: This product is stable at ambient temperatures and atmospheric pressures. It is not self-reactive and has a shelf life of at least one year in a sealed container.

Conditions to avoid are temperatures above 130° F or below 32° F.

Hazardous Decomposition Products: Thermal decomposition may generate toxic materials such as oxides of carbon.

Dangerous Polymerization: Will not occur. Conditions to avoid: None **Dangerous Reactions:** None known.

Product Name: Odor-Aid Disinfectant Deodorizer Sport's Equipment Spray **Date:** Jan. 1st, 2017

Section Eleven Toxicology Information

Acute Toxicity: The LD₅₀ is greater than 5.0g/kg of body weight. (Rat)

Chronic Toxicity: This product has not been evaluated for its chronic toxicology profile.

Carcinogenicity: This product does not contain a listed carcinogen from NTP, ACGIH or IARC.

Irritation: This product can be expected to be an eye irritant. No skin sensitization data is currently available.

Section Twelve Ecology Information

Ecotoxicity: The ecological toxicity of this product is not known.

Section Thirteen Disposal Considerations

Waste Disposal: Material that cannot be used according to label direction and is destined for disposal should be disposed of in accordance with all applicable regulations. Empty containers should be triple rinsed and offered for recycling or reconditioning, and disposed of in a sanitary landfill or for small containers (1 quart or less), may be wrapped and discarded in trash. (See label for explicit directions.) Waste generators are required to evaluate all waste material to determine if it is hazardous by characteristics or listing for compliance with RCRA and any local disposal procedures and regulations. NOTE: State and local regulations may be more stringent than Federal regulations.

Section Fourteen Transport Information

DOT

Proper Shipping Name: Not Regulated **Hazard Class:** N/A **Packing Group:** N/A

ID Number: N/A **DOT Label:** N/A **Emergency Guide No.:** N/A

Emergency Phone No.: CHEMTREC 1-800-424-9300

Section Fifteen Regulatory Information

FIFRA: This is a registered product, 6836-152-85792.

Toxic Substances Control Act (TSCA): All of the components intentionally added to this product are listed on the on the U.S. EPA TSCA inventory.

NPCA Hazardous Material Identification System (HMIS Rating)

Health **1** Flammability **0** Reactivity **0** Personal Protective Eqpt. **B**

State Regulations

Pennsylvania/New Jersey/Massachusetts Right to Know:

See "**Section Three**" for listing of hazardous and top five ingredients present in concentration greater than 1%.

California Proposition 65: Components of this product present at a concentration that could require reporting under this statute are: None.

Section Sixteen Other Information

Disclaimer: No representation or warranty, either expressed or implied, of merchantability, fitness for a particular purpose, or of any other nature, is made

with respect to information concerning the product referred to in this document. The information contained herein is, to the best of our knowledge and belief, accurate. However, since the conditions of handling and use are beyond our control, it is impossible to foresee every health effect or exposure risk incurred by the use of this product. All chemicals present unknown health hazards and should be used with caution. The information and recommendations contained herein are presented in good faith and are supplied pursuant to 29 CFR 1910.1200. The user should review this information in conjunction with their knowledge of the application intended to determine the suitability of this product for such purpose. In no event will the supplier be responsible for any damages of any nature whatsoever, resulting from the use, reliance upon, or the misuse of this information. Furthermore, it is the direct responsibility of the user to comply with all applicable Federal, State and local regulations governing the use and disposal of this material. **Prepared by:** Regulatory Affairs Dept./319-003
